After the rescue efforts: Update on the multi storey building collapse into Mosque compound – Dar es Salaam, Tanzania

29 March 2013 will forever be embedded in the minds of hundreds. On this day, a 16 storey building under construction and adjacent to the open area of the Dar Es Salaam Imambargha collapsed. This took place when the area was bustling with children playing, construction workers busy with their work and residents carrying on with their daily routine. The reason behind the collapse is still unknown.

Pakistan Relief: Completion of 21 new homes and lavatories for flood affected families in District Badin

The World Federation just completed the construction of 21 new homes and lavatories in District Badin in the Sindh Province of Pakistan to house more families living in tents since the July 2010 floods. Victim families living in Badin's Tehsil Tandobago were living in tents since their homes were washed away by monsoon floods; for over two years, they were forced to live in hardship including the severe impact of Pakistan's changing seasons.

In pictures: Multi Storey building collapse into Mosque compound – Dar es Salaam, Tanzania

Since the multi storey building collapsed into the mosque compound in Dar es Salaam on 29 March 2013, people around the world have shared stories, details, condolences and grief. As the tragedy unfolded the details were captured not only in words – but in pictures. Some pictures that were so emotional and so touching it left us at a loss.

The Martyrdom of Bibi Fatema Zehra (as)

As we commemorate Ayyame Fatimiyya, let us take the time to reflect on the last day of Bibi Fatema's life and the example she has left. Bibi Fatema (as) embraced the time she had left to dote on her children, say her good byes and tell her husband her last wishes.
