What is Ramadhan Relief Fund?

There are 925 million undernourished people in the world today. That means one in seven people do not get enough food to be healthy and lead an active life. Hunger and malnutrition are in fact the number one risk to health worldwide — greater than AIDS, malaria and tuberculosis combined. The World Federation's **Ramadhan Relief Fund** helps thousands of struggling families by providing them with food rations, iftaar, water and other essentials to make the Holy month of Ramadhan a little easier. Too many people, young and old, are already suffering. Please help us with a donation today so that we can continue to assist families who desperately need respite from the hardships of their life this Ramadhan. **Your support matters.**

Imam al-Sadiq (AS): 'One of the things which gives one obligatory entrance into Paradise and forgiveness is feeding a starving person', "or feeding (the needy) on a day of starvation, or an orphan among relatives, or a needy man in desolation. (90:14-16)"

Ramadhan Relief 1431-2010

the lives we touched together

Last Ramadhan, thanks to the generous support of donors from around the world, The World Federation provided £208,975 GBP in aid to needy families, orphans, widows, seniors and the disabled across 17 countries. Together, we made a huge impact in the lives of thousands of Shia Muslims living in poverty. After the food distribution in Bangladesh last year, our agent reported: ***"There are many families who shed tears of happiness. One young widow who lost her husband and only son in the June 2010 fire incident was weeping like a child. Many old widows wept because their sons and daughters are not supporting them and they live their lives on charity."***

The Ramadhan Relief Fund echoes the hope people in need share with people who care.
