**USD 10,000.00 received from an esteemed donor for cataract surgeries  
(50 % for Sadaat Patients and 50 % for Non-Sadaats Patients)**

The Aeinullah Eye Clinic in Mianwali, Pakistan was officially inaugurated on 13 January 2006. Due to the climate and poverty in Mianwali, cases of cataracts are extremely high. People as young as those in their 30's and 40's are blind with cataract. The Aeinullah Clinic works hard to improve the quality of life for its patients. Since Aeinullah Eye Clinic's inauguration in 2006, over 16,000 patients have benefitted through treatments provided at the clinic. USD 10,000.00 was received by esteemed donor for cataract surgeries. This time around the age restrictions were lifted so that all ages could benefit out of this service (50% for Sadaat and 50% for Non-Sadaats). USD 10,000.00 equivalent to PKR 791,616.00 was telegraphically transferred to Al Mehdi Hospital in Mianwali on 16 February 2011. The received amount was added to the balance from the previous Eye Camp in September 2010 making a grand total of PKR 801,616.00.

An "Eye Screening Camp" was arranged which took place on 23, 24 & 25 February 2011, for impoverished patients, during which 867 patients were screened and treated for eye diseases. 150 patients were diagnosed for cataract surgeries. 82 patients were operated during the camp and due to bad weather the rest of them are being operated in batches of 5 as and when possible in Al Mehdi Hospital. All surgeries are performed using the Phaco Machine. All Patients who are operated are also provided with medicine & sun glasses for a month. Provisions of 150 cataract surgeries were purchased out of the funds received.

PKR 585,900.00 was utilized during the camp and the remaining balance of PKR 215,716.00 will be utilized in house to treat Sadaat cataract patients seeking medical assistance in Al Mehdi Hospital.
