

BILAL MUSLIM MISSION OF KENYA

SHEIKH ABDILLAH NASSIR'S MONTHLY LECTURES

This month Sheikh Abdillahi Nassir's monthly lectures were held on Saturday 4th June 2011 at Bilal Hall Mombasa.

The program attracts a good number of participants who have made it a tradition to obtain knowledge, wisdom and spiritual up-gradation through these series of informative speeches.

The program started at around 4:15 pm with the recitation of the Holy Qur'an by Sheikh Sajjad Musa.

Amid echoing salawat, Sheikh Abdillahi Nassir was welcome to the mimbar by the anxious audience.

Sheikh began by reminding his audience the basic fundamentals towards building a united muslim ummah which he had earlier on discussed in the previous lectures. Sheikh Abdillahi Nassir then dwelt extensively on the need of exemplary

akhlaq which he said is fundamental in realizing the unity of Islam. He urged that good akhlaq demands that one respects the other even if they hold different opinions citing examples of earlier Sheikhs in East African region who excelled in this.

He concluded by urging muslims across the divide to live the Islamic values as outlined in the Holy Qur'an and the numerous ahadith rather than teaching, memorizing them and thereafter doing the opposite.

The program ended at around 5:25 pm with a dua and recitation of ziyarat of maasumin, after which niyaz was distributed and the congregation dispersed.
