

Resolution passed at Extraordinary Conference of 1 May 2010

While deliberating agenda item No. 4, it has emerged that a considerable doubt has been cast on the validity of the processes, conduct and results of the elections for the term of 2009 – 2012 with the consequence of a perception of division amongst The World Federation members, and therefore this Extraordinary Conference resolves that fresh elections be held after effecting any amendments necessary to the constitution relating to the processes and conduct of elections, it is further resolved that the Constitutional Conference shall be held in December 2010 in accordance with the resolution passed in the Toronto conference (2009) and that the intended elections be held within appropriate number of days stated in the constitution upon the adoption of the amendments to the constitution then in effect, whilst the current Executive Council continues.
