The Fifth Executive Council meeting for the Term 2011-2014 – Wessex, United Kingdom

There was an exciting energy from delegates, councillors, invitees & volunteers at the Fifth Executive Council meeting for the Term 2011-2014 at the Al-Mahdi Centre in Wessex as the meeting convened on the morning of Saturday 22 June 2013. Councillors from The World Federation, Africa, Europe, North America, Pakistan, India, Australia, and Singapore met to update one another on activities, the progress of their work, and discuss several issues.

A Look in Pictures – Beyond The Fifth Executive Council Meeting of The World Federation of KSIMC for the Term 2011-2014

Have you ever thought about what it is like in between these meetings and presentations? When representatives of the Khoja Shia Ithna-Asheri community come together, it is a forum for dialogue, conversation, understanding and unity. The time that the delegates have together serves as an opportunity to not only work together to meet goals and objectives but to get to know one another and create bonds that can span across the oceans.

Ramadhan Relief 1434: The World Federation prepares to send aid to families in time for Ramadhan

Each Shabaan, funds are sent to our partnering agencies who arrange for food baskets, iftaars, paying of debts and other aid to be delivered to deserving families. This work is done ahead of time in anticipation of the generosity and support of donors from around the world with contributions to the Ramadhan Relief Fund.

Pakistan Relief: Building 25 new homes for displaced families living in makeshift shelters – District Dadu, Sindh

In June 2013, The World Federation started a new housing project in Pakistan to house displaced families who have been living in makeshift shelters including mud houses and tents since the July 2010 floods. As many as 15 people have been living in a single room over the last three years. As a result of these poor living conditions, sometimes these families must deal with insects which live beneath the soil and cracks of their existing abodes.
