Providing Education Excellence in Africa

In 2008-2009 The World Federation of KSIMC partnered with The Africa Federation and the KSI Mombasa Jamaat began to develop an educational plan that would endeavour to support current provision, fine-tune existing systems and introduce new bespoke programmes that would secure educational excellence throughout the four community schools across East Africa. By the Grace of the Almighty this novel initiative has been running for three years after its inception and is now ready for the second phase of the transition.

The World Federation Madrasah initiative: Teacher Training commences

Sunday the 10th of September 2011 marked the beginning of a new era of teachers training in our Madaris as part of the WF Islamic Education Madrasah initiative. The training was held at Peterborough Hussieni Madrasah and was conducted by Shaykh Mohammed Zakaria. The seminar focused on enhancing professional teaching practice. This approach centred on an ethical-spiritual orientated learning experience.
