

## Islamic Centre Hadrat Fatima Zahra (a.s.) Frankfurt-Germany

On the 13th of June 2009 - the birthday of Hadrat Fatima Zahra (a.s.) – in the presence of Ayatullah Dr. Reza Ramazani and the Deputy Prime Minister of the Federal German State of Hesse, the foundation stone was laid to mark the construction of the Islamic Centre Hadrat Fatima (a.s.) in the centre of the city Frankfurt/Germany. The Islamic Centre Hadrat Fatima (a.s.) in Frankfurt will be one of the biggest Shia Centres in Europe, inshallah. It will serve as a mosque with a Hussainiya/Imam Bargah, a community-, an educational- and an encounter-centre for people from different cultures. There will also be facilities within the Islamic Centre which benefit the whole public such as a kindergarten, a library, an exhibition- and a conference hall as well as rooms for the young equipped with computers. Furthermore a halal-restaurant, office and business premises, 14 tenements, a play-yard for children and an underground parking lot are in construction.

The project costs about 5 million €, of which the community with the help of Allah has organized 3 million € by itself. 60% of the Islamic Centre has already been completed. We urge you to support this Islamic Centre of supra-regional importance. For the completion of this important project in the center of the finance, trade, university and hospital city of Frankfurt, with a floor space of over 2,000 square meters we urgently need the help and support from our brother communities.

The community which has founded the Centre trust consists of Shiites of Turkish, Pakistani, Arab, Iranian, Afghan and German origin. The great Marajas have approved this ambitious project and gave Ijaza and permission to the administration board to use part of Khums for the construction and equipping of the centre. With Allah's help and the support of beneficent brothers and sisters, the Islamic Centre Hadrat Fatima (a.s.) will bloom.
