# Internal Structure and Documents

- Working towards a new Concept for the International Relief and International Development to look into the agenda, direction and objectives to be achieved.
- Developing and reviewing relevant policies, processes and documents which improve the organisation's workings. E.g. Child Protection. These documents are developed, as and when required.
- Developed and setting up Agreements and MOUs with local partners in order to improve governance and transparency. Four agreements are in place, and others will be completed.

# Engagement and communication:

- Sent out relevant Press Releases, such as the Eid-ul-Fitr message, to the relevant networks with the WF's commitment on development, partnership and faith, which was received positively.

Developed a document reviewing some of the recent NGO activities in Tanzania providing analysis of Tanzania Civil Society engagement with the government and sector.

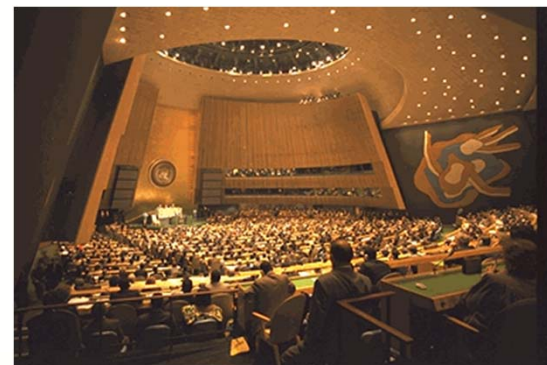

- Created a database of volunteers who will be able to contribute in taking the NGO agenda within the global communities forward.

# External Funding

- Applied for funding from UK-based Trusts to search for funding up in the areas of Water and Sanitation, Aeinullah Eye Clinic and Autistic Centre. Have not been successful, but this has been a learning.
- In advance stages of discussion with a British Organisation for a comprehensive teacher training activities in Northern Pakistan on a project worth £60,000.
- Will continue searching for other internal and external funding opportunities for project with our community organisations such as BMMK, Hussein Foundation.
