

FILL MY CUP

Back to School Campaign

We can choose to skip breakfast
...many of these children don't
have a choice.

Give a healthy start to their
education...

Only
\$3 / £2
(USD-CAD) GBP

to feed a child
breakfast for
a month

The 'Fill My Cup' appeal works with a number of schools in East Africa to provide children with a good healthy breakfast before school. Numerous studies show that a good, healthy breakfast allows a child to increase concentration in class, learn more and as a result achieve better results. The results of our campaign in 2011 also point to this conclusion.
