Conference 2011: A message from the President

This is a time when leaders of various positions in our global communities come together to reflect on the past term's achievements, discuss current challenges and chart a way forward for the next term. Working hand in hand with our community leaders allows The World Federation to carry the spirit of unity and brotherhood far beyond our doors.

The World Federation donates 30 computers to Development and Relief Foundation orphanage – Karbala, Iraq

As part of its Computers for Students Campaign, The World Federation of KSIMC donated various equipment including used computers, new and used monitors, mice and keyboards.

Aeinullah Eye Clinic in Bangalore, India gets a facelift

The Aeinullah Eye Clinics motto has always been not to achieve big numbers but to give quality treatment, to both paying and non-paying patients, by a team of qualified ophthalmologists. Several Free Eye Camps are also organised every year to facilitate eye treatment to those patients, from neighbouring regions, to receive treatment

who would normally not visit a hospital to seek health assistance due to lack of funds and resources.

For the first time ever, Africa Youth Network (AYN) of the Africa Federation ventured into an exciting and thrilling project – the Mt. Kilimanjaro Scaling Expedition.

CHB News Bulletin – First Aid Tutorial No. 7– Burns

A burn involves the destruction of skin, and sometimes the underlying structures of

muscle, bone and other tissues. It occurs when these structures absorb more heat than they can dissipate. What you do for a burn in the first few minutes after it occurs CAN make a difference in the severity of the injury.
